

Retrofit Package: **New brake disk system**

Steinemann Upgrade Brake Disk

Description

We will install you a new brake disk system, which contains a thicker brake disk.

Suitable for

- Satos K + F

Advantages

The new brake disk is characterized by: better performance and duration of the brake, good heat removal and less cracks and fractures through overheated brakes. The brake disk can be reprocessed one to two times.

Content Package

- Brake disk
- Brake with mount
- Underlay
- Cylinder screw with shaft
- Hose
- Closing plug
